Re: Request for Public Records – Unmanned Aerial Vehicles – 2019-01-033

Dear Aaron Swartz Day Police Surveillance Project:

The purpose of this letter is to acknowledge receipt of your California Public Records Act Request received January 22, 2019. In order to determine whether there are documents responsive to your request and as allowed for by California Government Code Section 6253(c)(2), additional time is required "... to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request." I will notify you, no later than February 15, 2019, when any responsive materials deemed releasable under law will be available for your review. In the interim, you may reach me at (619) 686-6203 or [cothomas@portofsandiego.org](mailto:cothomas@portofsandiego.org) if you have any further questions.

Respectfully,

*Cody Thomas*
